UIPM 2025 PENTATHLON WORLD CUP PAZARDZHİK: ASTONISHING OZYUKSEL (TUR) REACHES WOMEN'S FINAL

- Three-time Olympian recovers from Obstacle fall to finish first in epic Laser Run
- Khalil (EGY) extends Obstacle world record on the way to winning Semi-final A
- Whitaker (GBR) stays in charge of Semi-final B to earn Super Sunday place

As 14-year-old **Farida Khalil** of **Egypt** continued to show her incredible maturity at UIPM 2025 Pentathlon World Cup Pazardzhik, a more established star of the sport made history with an awe-inspiring comeback.

Having fallen from the Obstacle course in her first Pentathlon World Cup Semi-final appearance since the change of format, **Ilke Ozyuksel** of **Türkiye** looked to have no chance of reaching the Final as she started the Laser Run in 17th place with the maximum 1min 30sec handicap.

The greater the challenge, the greater a champion emerges, and Ozyuksel (TUR) simply devoured the field, overtaking all 16 rivals to cross the line 1st with a time of 10:50.60 that was just 12sec off the world record.

Ozyuksel (TUR) thus became the first athlete under the new rules to reach a Final with the maximum handicap, leaving 10th-placed **Jing Fu** of **China** crestfallen. But it took some minutes to establish whether or not the three-time Olympian had accrued enough points to finish in the top nine, and when the result became official, the world No.3 burst into tears.

Behind her at the finish line but ahead of her in the points standings, **Emma Whitaker** of **Great Britain** had an assured day, finishing 5sec clear of **Rebecca Castaudi** of **France** in Semi-final B, followed by **Sumin Shin** of **Korea** and **Malak Ismail** (EGY).

Top seed Whitaker (GBR) had lost the Fencing Final to **Aurora Tognetti** of **Italy**, who shone on the Obstacle course with a time of 33.87 only bettered by **Malgorzata Karbownik** of **Poland** (33.59), and **Yuri Suzuki** of **Japan** then delivered a top swim of 2:19.29.

While Ozyuksel (TUR) stormed the Laser Run course to show that an Obstacle slip need not be the end of the story, another top athlete failed to recover from the setback of a fall, **Blanka Guzi** of **Hungary** finishing 14th overall.

Earlier, Khalil (EGY) had extended her own Obstacle world record on the way to winning Semi-final A, propelling her into a Final where she will be favourite to add gold to the gold and silver medals she has already accumulated this season.

Khalil (EGY) timed a mind-blowing 29:30 in Obstacle, with only **Florina Jurt** of **Switzerland** keeping her company sub-35sec. This came after an early defeat for Khalil (EGY) in Fencing, where **Beatrice Mercuri** (ITA) emerged triumphant after winning the Final against **Martina Rutkauskaite**

of **Lithuania**, whose team-mate **Guste Peciulyte** (LTU) timed the day's fastest time in Swimming (2:15.82).

In Laser Run, Olympic record-holder **Anna Jurt** (SUI) was the big mover, dashing through the field to finish 6th with a time of 11:13.60, while **Johanna Maria Jogisu** of **Estonia** also emerged from the pack to breach the top nine and book a place on the start line for Super Sunday.
