SAMANTHA MURRAY AND JOE CHOONG DEFEND GB OPEN TITLES IN SOLIHULL

Samantha Murray and Joe Choong both successfully defended their titles at the GB Open Modern Pentathlon Championships in Solihull this weekend. Murray, the London 2012 Olympic silver medallist, came home first in the women's competition to retain both the GB Open title and the British Championship crown. 19-year-old Choong also retained his GB Open title and won the British Championship title after winning the junior title last time around.

The GB Open was organised by Pentathlon GB, the national governing body for the Olympic sport of modern pentathlon, and the event saw British, Hungarian and Irish pentathletes in action at the Tudor Grange Leisure Centre.

Women's competition review

In-form Alice Fitton topped the leaderboard in the women's competition after the 200m freestyle swim. Fresh from winning individual silver at the European Junior Championships a week ago, she

clocked a time of 2:05.28 for 324 pentathlon points, giving her an eight-point lead over London 2012 Olympic silver medallist Samantha Murray, with d 2:08.13. Kelcey Pillage was third.

Murray was the best of the Brits after the fencing, but she trailed Hungary's Tamara Alekszejev by six points overall. Murray won 24 of her 36 fencing bouts. Mhari Spence climbed from fifth to third with 26 fencing victories.

Three athletes – Britain's Freyja Prentice and Kate French, and Hungary's Kamilla Reti, produced flawless rides to land the full 300 points at Solihull Riding Club. But Alekszejev still led, now from Fitton, with Murray third.

Alekszejev went into the run/shoot with a 23-second lead over Fitton, with Murray starting a further three seconds back and 2012 world champion Mhairi Spence fourth, 11 seconds behind her fellow London 2012 Olympian.

But Murray's run/shoot time of 12:47.44, the fifth fastest of the day, saw her home nine seconds clear of Alekszejev. Fitton finished third overall with Francesca Summers fourth. Eilidh Prise's run/shoot time of 12:30.69 was the quickest of the day. Murray, Fitton and Spence took team gold.

Choong produced a terrific performance on the fencing piste to top the leaderboard after two disciplines. He won 25 of his 32 bouts to take his points total to 625. His performance was only bettered by Hungary's Krisztian Klis, whose 26 victories saw him move to second overall on 607 points. Evans won 17 bouts, dropping to third.
