UIPM 2016 BIATHLE-TRIATHLE WORLD CHAMPIONSHIPS: DAY 1 REPORT

The 2016 UIPM Biathlon-Triathlon World Championships began with a double dose of delight for the host nation as USA claimed senior gold medals in both the Biathlon and Triathlon Mixed Relays.

Husband-and-wife pair Logan (27) and Erin (25) Storie claimed top spot in the Biathlon relay thanks to a performance of perfect synergy in front of a home crowd at Nathan Benderson Park in Sarasota, Florida.

Storie & Storie (USA) finished nine seconds ahead of the second-placed Czech Republic (Eliska Priblova & Tomas Svoboda) with bronze going to Great Britain (Clare Forbes & Gregan Clarkson).

Local fans were given further cause for celebration in the Triathlon Mixed Relay as USA (Samantha Achterberg & Dennis Bowsher) claimed first place to complete a day of dominance by the host nation.

Achterberg & Bowsher (a veteran of the London 2012 Olympic Games) enjoyed a massive winning margin of almost two minutes over silver medallists Italy (Nicole Campaner & Valerio Quinzi), with Canada (Kelly Fitzsimons & Jonathan Denoon) claiming bronze.

More than 500 athletes from 25 countries have gathered on the west coast of Florida to participate in the championships, with athletes aged from the Youth F category (eight and under) to Masters competing in the two different formats.
